# What's in our Department?

## Advanced Courses

Breeding and Genetics  
Animal Physiology  
Nutritional Feeding  
Animal Products processing  
Biotechnology

- Laboratory Classes TA
- General Classes TA
- English Program TA
- Service Learning Program TA
- Computer Program TA
- Professor's Project Assistant
- Administrative Office Assistant

### Teaching Assistant Jobs

## Featured Programs

Animal Industry Practice  
Veterinary Assistance  
  
Internship Program  
Special Topics Research  
Study Aboard Program

### Scholarships & Grants

- Disadvantaged Student Aid Project
  - Alumni Heritage Award
  - Academic Elite Scholarship
- Grants only for Students in Animal Science Field-
- Agriculture Social Welfare Foundation Scholarship
  - Dr. Robert C. T. Lee Foundation Scholarship
  - prof. James Hunter Foundation Scholarship
  - Ge Fu-jiang Memorial Foundation Scholarship
  - Dachan Great Wall Group Diligence Scholarship

## Goal Development

Industry Professional Manager  
Feeding Management Expert  
Feed Science Expert  
Animal Breeder  
Companion Animal Specialist  
Biotechnology Research & Development  
Animal Products Research & Development

- NTD \$50,000
- NTD \$5,000/to 12 students
- NTD \$8,000/5,000/2,000
- NTD \$10,000
- NTD \$10,000
- NTD \$15,000
- NTD \$5,000~50,000
- NTD \$10,000/to 15 students

# Where does our Graduates go?

## Government

Ministry of Agriculture  
Local Livestock Research Institutes  
National Animal Industry Foundation  
Agriculture Technology Research Institute  
Agricultural Products Development Institute

## Veterinary

Animal Hospital  
Pet Foods Industry  
Pet Medications  
Pet Boarding Business  
Pet Grooming Business

## Industry

Livestock Farm Management  
Animal Feeds Manufacturing  
butchery  
Meat production Industry  
dairy products industry

## Higher Education

Animal Science Master's Program  
Biotechnology Master's Program  
Doctor of Veterinary Medicine degree
