

# Features of the Department of Physical Education at the Chinese Culture University

## History of department

The Department of Physical Education was established in 1963. In 1994, the Master's program in Sports Coaching was founded, followed by the establishment of the Doctoral program in Sports Coaching in 2010.

## venue

In 2006, a multi-sports center was constructed, equipped with versatile rooms, gymnastics rooms, aerobics studios, judo, taekwondo, swimming pool, basketball court, volleyball court, tennis court, badminton court, wrestling room, boxing room, aerial track, and various laboratories for sports physiology, sports psychology, sports biomechanics, and sports humanities.

## Enhanced Learning

The department regularly collaborates with sport associations or societies to organize conferences, workshops, and competitions related to sports and athletics. This provides students with opportunities to actively participate in organizing these events, allowing them to understand the planning and execution involved in academic and competitive events.

## Practical Application

The Department of Physical Education facilitate student internships with relevant industries outside the campus, enabling students to connect with society early on and gain insights into societal trends.
